The Revenge of Old Mrs

Chptr 1

When I come back from dinner, Goby says
Cordie wants me across the river quick or
I can get there. Don't call. Just
get there.

to their maid, Jony. She was hysterical,"
Goby says.

"I better call."

"She said don't call, Lou. Just
get there," Goby says.

"That's a thirty minute drive," I tell
him. "I'd go crazy working that long."

"Don't say I didn't warn you," Goby says.
